And He Teaches You How To Be A Super-Hero Too!

Thom Peterson has been performing magic and comedy full-time since 1986.

As a headline entertainer and speaker at many corporate events, Thom's magic and comedy has taken him all over the world...Except FRANCE!

Between his normal show schedule, and his regular appearances at Hollywood's Magic Castle, he has just released his first DVD to the magic community.

SUPER-HUMAN STRENGTH

Thom teaches you killer material that he has used to make his living for over 15 years. It's direct, powerful magic that no Super-Villain would dare confront.
